Representation, Support & Services

Cambridge University Students' Union has attracted more societies than ever to its annual Societies' Fair. So great has been the response to the request for applications that for only the second time ever in the 13 year history of the event, CUSU is almost completely taking over Kelsey Kerridge with stalls not only in the main hall, but also in two extra rooms – Fenners Hall and the Practice Room.

Whether you're a Fresher or any student looking for something new this is the place to come to. We see over 300 societies and 10,000 students attend each year. Doors open at 1pm on Monday 3rd October to give a preview for student parents and students with disabilities. Full admittance begins at 2pm. Doors close again at 7pm, with the fair open again 10 am – 4pm on Tuesday 4th.

The CUSU stalls will be situated at the rear of the hall and provide you with everything you want to know about CUSUents, students representations, all our campaigns, student support, services, student journalism with TCS and much more besides.
